Thank you for keeping the HiawathaLand ReStore in mind for your donations. As much as we would like to accept all donations, we must reserve the right to refuse any items. Below is a list of items we accept and items we do not accept. We are currently taking accepted items on a limited basis, so please call our ReStore prior to bringing in any donations. If you have an item that is not on the lists below, please check to see if we may be interested.

Please be sure all donations are clean, in good sellable condition, and in working order. We do not have the staff to clean and repair items, nor do we have the funds to dispose of unsellable items. We really appreciate your cooperation with this!
